

Steps to create a PowerSchool Account

1. Go to PowerSchool under the "Parents" tab
2. Click tab "Create Account"
3. Enter your information under "Parent Account Details"
4. Get "Access ID & Password" for each of your students from either office:
Elementary 385-2556, MS/HS 385-2631
5. When submitted, it will take you back to the home screen.
