SUBJECT: Parent Notification of Teacher Qualifications

Dear Parents:

The federal Elementary & Secondary Education Act Law (NCLB) requires that parents of students attending a school receiving Title 1-A funding be given notice of their right to request information regarding the qualifications of their child's teacher.

Basically the law states that you have the right to ask for information concerning the qualification of your child's teachers as listed below:

- Whether the teacher has met the State requirements for licensure and certification for the grade levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- The college major and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- Whether the child is provided services by paraprofessionals, and if so, their qualifications

If you are interested in receiving teacher qualification information, please send a letter to:

Spearville Elementary Principal
105 East Davis
Spearville, KS 67876

Please allow a few days for the requested information to be mailed to you.

Sincerely,

Christopher Korbe,
Elementary Principal
